

APRIL 24TH & 25TH 2010
GROWING FOOD AND COMMUNITY
More info @ gardensofgratitude.org

Is it possible to transform a town into an edible oasis in one weekend?

Imagine cruising around town with friends and neighbors in a garden planting celebration like no other! Imagine hundreds of people doing this all over the Westside on the same weekend – as one giant party of Gratitude!

Join us in making our town an abundant, edible paradise of fruits, berries, nuts, veggies and flowers!

Grow your "Victory" Garden planted during our Gardens of Gratitude event!
